## **The Great Gathering of The United Nuwaupian Nation Worldwide**

Hatap Yasar, It is always a great pleasure when we as tribal nation get to interact as one family to work on the freedom of our beloved President and Chief: Black "Thunderbird" Eagle, H.E. Dr. Malachi Z. K. York in this day and time. I as your beloved 'Clan Mother', Mutt Ptah-warat Atum Rayay, the beloved sister of your president and our Ambassador Doosua 'Hawk-Eye' York greet you in the name of unity and love. It is of great pleasure to be communicating to all thirty-thousand or more scattered Nuwaupians Yamasee tribal members worldwide today. It is of our highest priority to continuously advance the interest of our nation, the interest of our territory, and the promotion of the upholding of the obligations of the United States of their responsibility to our indigenous nation of people who have been forcibly scattered into exile from our land in Eatonton, Ga. which caused us to be displaced all over the world.

Together we bring to you in this communication on the behalf of our president, the government of the United Nuwaupian nation and his freedom, with the commitment of love a unified continuous effort of his freedom by all. It is the intent of the government of the United Nuwaupian nation and this communication, to reach out to you with the spirit of healing that is cloaked in that divine love that we have for **H.E. Dr. Malachi Z. K. York** who has shown us that we all have one common interest in this day and time, and that is his presence amongst his nation again, which leads us to the purpose of this communication.

Wherever this official communication may reach you as one mind, one body and one soul, today we declare we are all eternally linked as one, by our ancestors blood worldwide, never to relinquish this inalienable right by natural law. Our 'state of mind' is of Wu-Nuwaup, as this mind is the ultimate liberating force of our existence, a state of existence that is viable for the purposes of our freedom, justice and equality. Drawing

attention to our nations sacred crest it expresses definitively our creed of liberation as an act of living:

***“For the People, by the People, of the People of Nuwaupia”.***

All Nuwaupians!!! No matter where you exist, it is time to commit the one great gesture of love and unity to demonstrate really, what ‘for’, ‘of’ and ‘by’ each other really means as taught to us all by our president **Chief: Black ‘Thunderbird’ Eagle, H.E. Dr. Malachi Z. K. York.** Whatever name, or school of thought his tone has touched you, you know what your Master Teacher, President, Chief and nation means to you. It is time for us to show him what he means to us. He has united us on our territory the capitol city of Nuwaupia, ‘*Egypt of the West*’, ‘*Wahanee*’ the ‘*Golden City*’, being forcibly removed and assimilated it is our duty to let the world know, NOW! Nuwaupian, Yamassee, Seminole, Shushoni, Creek nation, Stand UP!

Whomever and wherever you are as a tribal member every should make this opportunity an obligation to perform this worldwide wonderful event a strong statement of coming together preferably in an open area such as a park or recreation atmosphere. The decided upon location will be communicated to you by the nearest authorized representatives listed within this email. ***When?***

**Saturday June 14th, at 3 pm.** ON TIME, ON TIME, ON TIME. As we all will be chanting and sending our love and gratitude to our Salafu wu Paa Nazharu, in respects and reverence for allowing Paa Nabab Yaanuwn to still be in our midst as he awaits the day for his nation to finally stand up for him, now is the time. If you are in various time zones, we will all have synchronized times to where we all chant and take our pictures at the same time, e.g. If its two o’clock in Chicago, it will be three o’clock here in Nuwaupia, so all tribal members in Chicago that has gathered will be in sync with our

capitol city 'Wahanee' as it is a one hour time difference, and thus still being unified in our actions. In this doing, our voice will be heard and felt throughout the Universe, please lets make this a powerful event.

There are hundreds of thousands of Nuwaupian tribal members in many parts of the world that would love to help in their Master Teachers freedom by whatever name you have called him as he is known by many, whether you are a Muslim Nuwaupian, Nuwaupian Christian, or Jew, N.O.I., Mason, or Eastern Star, whatever your faith and affiliation this is the one opportunity that you can to assist in his freedom our nations freedom JUST BY SHOWING UP!!

### ***The People of Nuwaupia, Who and what are we?***

We are the 'Yamasee, Seminole, Shoshoni, Washitaw and Creek nation', known formerly as the Muschogee nation. We are its successor nation of 30,000 nationals of mixed indigenous aboriginal and imported Africans, we have retained our identity, nationality and language as Nuwaupians regardless of the forced assimilation, we have inalienable rights protected under international law, to have our constitutionally seated president and head of state Dr. Malachi Z. K. York governing our nation on the territory of our indigenous ancestors the Muschogee people (what is now known as Georgia, Alabama and Mississippi). We have been forced into exile by the internationally condemnable aggressive acts by the United States, forced assimilation to various parts of the planet and its time for us to return home.

ONLY WE CAN DO THIS AS ONE FAMILY!! ONE NATION!

### ***Who found and taught this lost found nation of tribal people?***

Chief: Black 'Thunderbird' Eagle, Dr. Malachi Z. K. York has, our President has given this last call to all those whom has heard his special tone, the special tone that has connected all Nuwaupians worldwide. Not by mere description, nor by mere migrations but by blood relations we are scattered throughout the world displaced throughout many nations and must reclaim our home. You have an obligation to yourselves and our future to claim what's inheritably yours. He has built this nation for over 50 years opening up your conscious mind to the acceptance of these irrefragable facts. We as a people first and foremost have an obligation to our family members, elders, children, tribal members, nation, language (Nuwaup-ye) and most importantly the freedom of President and Chief, Dr. Malachi Z. K. York.
